Have copy of plan available for in-person presentations. For virtual be sure to link to the full plan right in the beginning.

Housing Authority may not be able to take on the goals as currently listed. Need to be mindful of their capacity.

Think about how we can incorporate CCP, Regional Housing Strategy, Unsheltered Plan

Survey link to share at the end of the presentation to learn more about how people want to plug into this work. Who would be responsible to review the survey answers and make follow-ups? Add more specific asks to the survey based on implementation plan. This committee could review responses and make connections.

HUGE Thank you to Kayla for her work on Canva!
