Today's Topic #1: Tier 2 Prioritization (RRH)

The prioritization score for RRH is determined by summing the following components:

- VI-SPDAT Score: Based on the individual's assessment (Families up to 22 points and singles and youth up to 17 points).
- New to Homelessness Points*: 20 points are added to individuals who are “new to homelessness but unable to self-resolve.” These points expire at the 10th month mark of enrollment in shelter or street outreach program.
- Length of Shelter Stay/Number of Bed Nights: Up to ___ points are added based on the length of time spent in overnight shelter or the number of bed nights.

*New to Homelessness Points Example: If someone newly enrolls in shelter or street outreach program in January, they receive 20 additional points in the July Tier 1 report if still enrolled. This score is maintained until the end of October, after which the additional points expire. During their enrollment in shelter or street outreach program, they can continue to receive housing navigation support and continue to be assessed for PSH via the PSH Tier 1 process.

Today's Topic #2: Tier 2 Prioritization (PSH)

The prioritization score for PSH is determined by summing the following components:

- VI-SPDAT Score: Based on the individual's assessment (Families up to 22 points and singles and youth up to 17 points).
- Adjusted Tier 1 Assessment Score: Up to ___ points (This is a tentative proposal. ICA will need to figure out what is possible in the Clarity Reporting software before we finalize the approach and calculation)

Today's Topic #3: Additional Consideration for Tier 1 & 2 Process

CE Release of Information (ROI)

- Do we need a CE Release of Information for conducting Tier 1 and/or Tier 2 assessment?
- Who gets it and when?

Tier 2 Assessment

Who would complete Tier 2 assessment for clients of the following programs?

- Porchlight men's shelter
- Salvation Army women's shelter
- Salvation Army family shelter
- YWCA family shelter
- Healing House
- Outreach programs that use HMIS and are CE mobile hubs
- Outreach programs that are not CE mobile hubs
