

What is Project Recovery?

Project Recovery is a community-based program providing outreach, crisis counseling, and support to communities impacted by severe storms, flooding, landslides, straight-line winds, and tornadoes in the summer of 2018.

The program deploys outreach workers to the nine counties designated for federal disaster assistance: Crawford, Dane, Juneau, La Crosse, Marquette, Monroe, Richland, Sauk, and Vernon.

Project Recovery can Help

Recovery is more than Rebuilding

If you were impacted by recent flooding and severe storms, you may be experiencing:

- Anxiety & Vigilance
- Anger, Resentment & Conflict
- Uncertainty about the future
- Prolonged mourning of losses
- Diminished problem-solving
- Isolation & Hopelessness
- Health Problems
- Physical & Mental Exhaustion
- Lifestyle Changes

For those experiencing emotional distress, Project Recovery can help.

What can Project Recovery do for you?

Trained outreach workers are available to assist survivors in:

- navigating organizations or agencies supporting recovery;
- organizing and prioritizing recovery tasks;
- information and resource referral;
- problem solving;
- conflict resolution;
- better understanding your current situation and reactions;
- stress management and emotional support; and
- developing plans to address unmet needs.
